

The Pro-Life Union of Southeastern Pennsylvania's *Stand Up For Life Dinner*

with **Anne Mielnik, M.D.**

✚ Dr. Anne Mielnik is a young, articulate and committed medical doctor who is using her skills to make highly valuable and cutting-edge contributions to building a Culture of Life. She was born and raised in Lancaster, Pa. She is a 2000 graduate of Villanova University, where she studied philosophy and medical ethics.

✚ Dr. Mielnik is a 2005 graduate of Jefferson Medical College in Philadelphia, PA and completed her family medicine residency training at Lancaster General Hospital in 2006.

✚ Dr. Anne Mielnik is a family physician who specializes in women's health and fertility. She is the Founder and Director of the *Gianna Healthcare Center for Women*, the first women's medical center in New York City explicitly committed to providing women's healthcare that is pro-life and faithful to the teachings of the Catholic Church.

✚ The Gianna Center offers full spectrum women's healthcare, including a modern, highly effective method of Natural Family Planning called The Creighton Model System and a new approach to treating reproductive problems without the birth control pill, called NaProTECHNOLOGY (Natural Procreative Technology).

Be a part of the largest pro-life event in the area, with over 1,500 guests. Meet local pro-life heroes, including members of the Pro-Life Union and Generation Life.
